Theoretical Perspectives

The MCEO teachings presently exist on Earth as a growing body of detailed information pertaining to the spirituality and science of creation and the history and evolution of humanity. MCEO teachings offer unique perspectives, techniques, and technologies of mind and spirit that have proven useful to many people in the exploration and expansion of personal consciousness. Information contained within the MCEO teachings represents a cohesive paradigm of ideas, beliefs, and perspectives reportedly translated from ancient texts, which together comprise an affirmative and inspirational "point of view" or "worldview" regarding the tangible realities of spirituality, the mechanics of creation, the history of our universe, and the potentialities of the human condition. Like many popular "New Age" and "traditional" paradigms of spiritual, scientific, and historical beliefs, many points of view presented within the MCEO teachings extend beyond the framework of presently recognized spiritual/religious, scientific, and historical "fact" that can be verified through common contemporary scientific procedures. *Thus, like many other popular belief paradigms, including ALL known "New Age" and "traditional" spiritual/religious doctrines and many fields of contemporary scientific study, the perspectives presented within the MCEO teachings must, too, be presently categorized as theoretical in nature.*

The *verifiable actuality,* and thus the potential validity, of the presently theoretical spiritual, scientific, and historical perspectives of MCEO teachings pertaining to the "**Ancient Science of the Shields**" (scalar-standing-wave templates of matter and consciousness), "**Merkaba Mechanics**" (interdimensional electromagnetic vortex mechanics), "**DNA Template Activations**" (frequency accretion within the scalar template behind manifest chemical DNA), "**interdimensional structure**," "**15-Dimensional Anatomy**," "**Bio-Spiritual Healing**" (support of biological healing and well-being through holistic spiritual practice), and **humanity's evolutionary journey** — perspectives which are featured in the **MCEO Kathara Bio-Spiritual Healing Program**, **MCEO Maharata "Dance For" Programs**, and related published works of the MCEO—cannot at this time be "proved or disproved." Therefore, the MCEO paradigm and its related teachings, techniques, and technologies are offered to the public as a unique and inspirational viewpoint, solely for the purpose of public investigation, consideration, and theoretical exploration.

Though the presently theoretical categorization of MCEO teachings within the public sector is recognized, it should also be recognized that members of the Azurite Press, Trustees, and the AP Regents Council, as well as authorized MCEO translators/authors and teachers and many individuals within the international community, have personally chosen to accept the validity of the MCEO teachings as representing more than a theoretical perspective, instead acknowledging the MCEO paradigm as a factual reality interpretation, and practical worldview, through which progressive expansion of personal consciousness and coherent spiritual awakening are fostered. Such decision as to the factual or theoretical categorization of the MCEO paradigm, and the responsibilities inherent to this decision, are deeply private spiritual issues, and thus must be assigned to the faculties of personal discretion.

MCEO Meditations for Spiritual Exploration, Medical and Psychiatric Considerations

As the MCEO paradigm is built upon presently theoretical spiritual, scientific, and historical perspectives, any and all techniques and technologies offered through the MCEO paradigm must also be considered as presently theoretical in nature, and thus any and all techniques and technologies presented within MCEO teachings are ***not intended to diagnose, treat or cure any disease or illness, nor are they intended as substitution for professional medical or psychiatric advisory or treatment***. Techniques and technologies provided within MCEO teachings are offered to the public solely as "***Meditations for Spiritual Exploration***," with the intention of assisting and serving the further evolution of human consciousness through providing exposure to an expanded range of perspectives and potentialities. **It is strongly recommended that individuals who have a history of medical or psychiatric difficulties, or who are presently under the care of medical or psychiatric professionals, seek professional advisory before using any *MCEO Meditations for Spiritual Exploration* techniques or technologies**.

Since introduction of *MCEO Meditations for Spiritual Exploration* techniques and technologies in 1999, **many people have claimed to receive beneficial affects and effects in the development and expansion of personal consciousness and spiritual awakening** through use of MCEO techniques and technologies. There have also been a **lesser number of reports of individuals claiming to receive no affect, effect, or benefit at all**, but there have been ***no reports* of individuals claiming adverse medical, psychiatric, or psychological affects or effects** in conjunction with use of MCEO techniques and technologies. As a reflection of commitment to responsibility in presentation, MCEO techniques and technologies are not presented for exploration in the public domain until they are first (or simultaneously) explored, utilized, or practiced by authorized MCEO translators/authors/teachers and members of the Azurite Press Board of Directors. Though the validation of factual actuality pertaining to affects, effects, or benefits of practicing MCEO Meditations for Spiritual Exploration techniques and technologies must, like the techniques and technologies themselves, for the present time remain within the realm of theoretical exploration, it can be reported that since 1999, findings pertaining to the practicality of using MCEO techniques and technologies have consistently revealed that affects and effects of such practices are **quite individualized, though predominantly positive**, in nature. Therefore, however, **no claims, promises, or guarantees as to the affects, effects, or benefits an individual might expect to encounter through use of MCEO techniques and technologies can be offered at this time**. Utilization of MCEO Meditations for Spiritual Exploration techniques and technologies presently remains within the category of **experimental self-exploration**, through which absolute conclusions regarding generalities of mass affect, effect, benefit, or detriment cannot yet be drawn. **An individual's involvement with the MCEO teachings, techniques, and technologies represents a choice of *personal decision and discretion*, and thus the *responsibility pertaining to affect and effect of practice* that is inherent to this choice must also remain with the *individual*.**

Claim of Authenticity

In offering the MCEO teachings for public exploration, **the translators/authors, publishers, promoters, and related individuals and organizations do not make any claims whatsoever as to the factuality of ideas or perspectives contained within the MCEO paradigm**. Though the *MCEO teaching texts themselves* do on occasion claim that certain ideas and perspectives are of a factual nature, such claims represent points of view intrinsically contained within the ancient texts from which contemporary translations are drawn. The authorized translators/authors of contemporary MCEO teaching texts hold a binding commitment to ensure the clearest and most accurate translation of MCEO texts that is possible under current evolutionary circumstances—a *commitment to clarity and accuracy of translation* that must include the allowance, in contemporary translations, of any *claims of factuality as they are contained within the MCEO texts of antiquity*. **Information represented as *factual knowledge* in the MCEO texts of antiquity, and in their contemporary translations, is understood to represent "*potential or possible factuality, expressed as factuality within the ancient texts, but which presently resides within the domain of theory*" in the context of contemporary publication.**

The contemporary translators/authors of MCEO teachings *claim only* that the MCEO text translations contained within presently published works bearing their authorship represent an "as-accurate-as-possible" translation of

The MCEO Freedom Teachings® Series — ©2010 A&A Deane

MCEO text records believed to have been created in ancient times, which the contemporary translators/authors have had opportunity to review through *authentic personal experiences*. Translators/authors thus make claims only as to the *authenticity of their personal experiences* through which review of ancient MCEO text records occurred, and as to the factuality that their translation of the reviewed ancient MCEO texts into contemporary English language has been rendered by them as clearly and accurately as possible.

As the original MCEO texts of antiquity are not presently in the direct possession of authorized contemporary translators/authors, and thus contemporary translators/authors cannot at this time publicly display these artifacts in order to validate the reality of their continued existence and verify their inherent content, those who explore contemporary MCEO text translations must understand that such works are presented as theoretical perspectives and possibilities, the validity of which one may choose to believe, or disbelieve, upon the merit of one's personal discretion. ***If ideas, concepts, or perspectives contained within the MCEO texts, their contemporary translations, or related teaching materials bear any resemblance to ideas, concepts, or perspectives contained within any other presently known spiritual/religious, scientific, or historical paradigms or teaching systems, such resemblance is purely coincidental.*** However, the event of such coincidence may potentially suggest that both the MCEO paradigm and paradigms to which it might bear resemblance **may have arisen from a common source in antiquity** that has yet to be discovered or scientifically verified, but which would upon discovery lend credence and clarity to such coincidence.

Terms, Conditions, Agreements, and Implied Consent

As the contemporary MCEO text translators/authors can make no claims or promises as to the factuality of ideas and perspectives presented within MCEO teachings, they likewise **cannot offer any claims, promises, or guarantees as to the affects or effects that may or may not arise through personal use of MCEO teachings or Meditations for Spiritual Exploration techniques and technologies**. The responsibility for decision to engage involvement with MCEO teachings, techniques, or technologies rests with each individual, and thus the responsibility for any affects or effects that may or may not occur in conjunction with use of MCEO teachings, techniques, and technologies must also rest with the individual. The *Meditations for Spiritual Exploration* techniques and technologies provided within MCEO teachings represent translations from the ancient MCEO texts, and are provided to the public as an **option for personal spiritual exploration, investigation, and experimentation**, *to be used at the* ***personal discretion*** *of the reader or workshop attendee.*

As stated in numerous public forums and workshops since 1999, *in choosing to use* MCEO teachings, techniques, or technologies it is understood that *in so doing* the *individual accepts full responsibility for any and all conditions* that may or may not occur in conjunction with such practice. It is further recognized that the individual, *through the act of using* MCEO teachings, techniques, or technologies, *thereby through this act agrees* to release Azurite Press, Trustees, the AP Regents Council, authorized Kathara Bio-Spiritual Healing Program teachers and facilitators (pertaining only to *MCEO-sanctioned Kathara "no-touch" procedures*), **authorized MCEO translators/authors, teachers, promoters, and any individuals and organizations thereto related, from any and all claims of liability or damages perceived or assumed to occur in conjunction with involvement in MCEO teachings, techniques, or technologies. This statement of Terms and Conditions represents a written *Notice of Implied Agreement and Consent to Liability Release* in regard to involvement with MCEO teachings, techniques, and technologies. This Notice of Implied Agreement and Consent of Liability Release represents a *reiteration in specific written format* of previously provided notice as to the *necessity of taking personal responsibility for any and all consequences arising from chosen involvement with the MCEO paradigm*—notice which has been frequently provided verbally in public forum since 1999. It is recognized that the *Implied Agreement and Consent to Terms and Conditions of Liability Release* stated here within is accepted and enacted as such *upon the act of chosen involvement* with and/or practice of MCEO teachings, techniques, and technologies**. If one is uncomfortable or in disagreement with this stated *Notice of Implied Agreement and Consent to Terms and Conditions of Liability Release*, it is suggested and recommended that one choose at this time non-involvement with MCEO teachings, techniques, and technologies, until a future time wherein such concerns have been assuaged.

A Commitment to Quality and the MCEO Course-book Manuals

The authorized MCEO translators/authors, members of the MCEO, Azurite Press, Trustees, Regents Council, teachers, and promoters of the MCEO paradigm extend their greatest efforts in making MCEO teachings available for public exploration in **the most responsible and respectful manner possible**, while striving to maintain the **highest standards of integrity in MCEO text translation and teaching**. Intrinsic to such responsibility in presentation, the authorized MCEO translators/ authors, members of Azurite Press, Trustees, Regents Council, and authorized teachers and facilitators of MCEO programs are all individuals who personally believe in the factuality of the MCEO paradigm and who actively participate, for personal spiritual reasons, in MCEO programs, including personal use of MCEO techniques and technologies. These individuals all share a **common commitment to achieving and maintaining integrity**, **quality**, **and responsibility in public presentation of MCEO teachings**; this shared commitment arises from a commonly shared, individually held reverence, respect, appreciation for, and belief in the validity of the MCEO paradigm, its inherent teachings of personal spiritual self-discovery, and the limitless potentialities of human consciousness that this paradigm suggests.

On behalf of this commitment to quality, may it be understood that **MCEO Course-book Manuals**, as featured within the MCEO *Kathara Bio-spiritual Healing Program*, *MCEO Maharata "Dance For" Programs*, *MCEO Masters Templar Stewardship Initiative Program*, and other MCEO teaching programs, **do not represent completed books**, but rather exist as **companion text briefings** that are created in conjunction with **specific corresponding live workshop presentations** that are preserved via **audio/video recordings** and made available on the *Azurite Press Product List* as specific Program Sets. The Course-book Manuals that accompany some of these audio/video workshop programs **contain only the charts**, **graphs**, **and most pertinent information relating to their corresponding audio/video program**, and **do not contain the *many pages of dialogue and detailed explanation*** that are incorporated verbally into the audio/video program. Thus MCEO Course-book Manuals are not intended to be used alone, but are rather intended for use as an **additional educational aid in conjunction with their corresponding audio/video workshop program**.

As new MCEO workshop materials are often released and translated during live workshop presentations, the corresponding Course-book Manuals and their inherent graphs and charts often reflect the immediacy of the new information provided in that they are initially rendered "**in-the-rough**," often with portions of text in handwritten form, not yet "perfected" for book publication with appropriate dialogue text detail, typesetting, computer graphics, pagination, and indexing. As each new workshop since 1999 has introduced the next level of new, live MCEO data translations, there has been insufficient time to "move backward" and perfect the quality of production pertaining to MCEO Course-Book Manual texts from previous workshops. The information and new MCEO teachings contained within each workshop program always reflect the standards of integrity and quality inherent to the MCEO paradigm, but often the timely public release of new materials is achieved at the expense of production quality. **The Azurite Press staff apologizes for any inconvenience that such "data-in-the-rough" may cause**; **however**, **if workshop programs were withheld from Product List release until their audio/video recordings and corresponding Course-book Manuals were "perfected" in terms of production**, **it would be several years before these materials were released for public review**. As new MCEO teachings are often time-sensitive in regard to the unfolding of planetary events (especially since 2000), it has been of greater priority during this time to expedite availability of the MCEO teachings contained within the products, than it has been to demonstrate the standard of excellence in quality product production that remains a goal of Azurite Press.

For the time being, MCEO audio/video Course-book Programs are in a **state of continued evolution**, as the small staff at Azurite Press, with the assistance of numerous individuals who volunteer their time and talents, endeavors to compile dialogue transcripts and to perfect typesetting, computer graphics, and format organization of previous MCEO workshop presentations in an effort to fulfill the goal of creating "perfected" book publications that contain—and "do justice to"—the vast body of quality teachings that have been presented in MCEO workshops since 1999. The commitment to achieving excellence in quality of production, as well as quality of information, that is held by members of the Azurite Press staff arises from the personal desires of staff members to "honor the spirit of the teachings" that they have found personally valuable, as well as from a desire to provide the best possible quality of product and service in spiritual respect to the public. Until the goal of achieving "perfected" product production quality is actualized, the Azurite Press staff hopes the public will share in the recognition that it is the **quality and inherent substance of MCEO information**, **more than the "package it comes in," that demonstrates the value of Azurite Press MCEO educational products**.

The "Gates of Wha-YA-yas" are known as the "Mashaya-Hanic Gates," as passage through them requires a minimum completion of a full Starfire Mashaya-Hana Ascension into the Adashi-1 Ascension Return Cycle or being directly hosted by a Mashaya-Hana "Wha-YA-yas Adept" taking on the form of a "plasma ship" transport vehicle.

The Wha-YA-yas Gate Sets are held in the D-1 Encryption Lattice. When activated through activation of the Rasha Core Wha-YA-yas Hydrolase Water-Seed "Silver Seed" in the Aurora Continuum, the 12 Wha-YA-yas Gates open within the Alon Shield at Span-7.5 of the Rasha Dark-matter Body & within the corresponding Alon Shield 7.5 level between the lower & middle mantle of each dimensional level in a planet or star (and activate within the Alon Blood Crystals of biological life-forms activating the "Silver Seed Code").

The Wha-YA-yas Gates intersect directly with the corresponding Aurora Continuum location via the corresponding Adashi DN-5 Wha-Yah Aah-JhA Body Reishaic Capsule.

Alpha-Omega Fall, 2012 Phantom Split, the Dragon's Eye and the Wa-ZE-yenta Fall Harness

The 2012 Cosmic Showdown accelerations of the Omega-Beast-Micca Complex will cause our Metagalaxy to cycle into the MG-12 GL-3 SS-3 ST-3 (the "false 12:3:3:3" Fall Alignment) position, bringing Earth into direct alignment with the MW MG-12 Metagalactic Core (Black Hole at Milky Way center)—and the MW MG-12 Core aligns directly with the Veca-2 Universal Core Black Hole & Micca Complex. Earth and our Sun would draw into alignment with their parallels in V-2 MG-6 GL-1 SS-3, bringing the Micca "666" 11:11 & 12:12 Complexes online to begin drawing our Veca-5 "through the Eye of the Beast" and into Veca-2 merger.

With succesful "Crossover Alignment," NET-Earth, Median Earth, and AshalA will be held stable in the MG-6 position and will progressively engage crossover shift to the M31 GL-3 SS-3 ST-3 "333 Alignment," shifting the GL alignment from 1 to 3 by 2012. The Mashaya-Hana Vortex will hold our Metagalaxy in the "333 Alignment" MG-6 GL-3 SS-3 position till 2012, then shift us through to M31 MG-12 GL-3 SS-3 ST-3 alignment. NET-Earth, Median Earth, and AshalA will hold in this alignment till 2230 AD Load-Out end. Phantom Earth will follow the "Accelerations of the Beast" and separate until 2012 "reunion-showdown." (NOTE: Earth will be IN the MW MG-12 GL-12 SS-5 ST-3 position during the M31 MG-12 GL-3 SS-3 ST-3 alignment to 2230 AD.)

Preparing Your Mirror
for
Wha-YA-yas Communication, Projection, and Contact
(Also for activating the Ah-SA'-yas Orb Master Wave Pillar)

Please Note: Throughout this technique your mirror must be placed/kept on a vertical plane and NOT placed horizontally (at any time or for any reason)

PART 'A'

1. Securing the mirror field to Krystic spectra

Setting the Ah-SA'-yas Orb Gel Field (from Earth Core Ah-SA'-yas Orb Reservoir) into the "space between" the front and back sides of the mirror.

i) Inhale the "Ah-SA'-yas Orb Master Wave" up from Earth Core Orb Reservoir to your AzurA, then exhale a 24-point Orb-burst from AzurA outward through your 12 Allurean Chamber lines & 12 Fire Chamber lines.

ii) Breathe normally and sense that a massive pillar of swirling Ah-SA'-yas Orbs "pops out" around you, and within you; the diameter of the Orb Pillar will extend from your Central Vertical Column within and outward to a 6-foot diameter, running through and around your body.

The vertical extension of the Orb Pillar will run up from the Orb Reservoir, at Earth Core, through and beyond your body, and all the way up the dimensional scale to the Rasha Core of your D-15 Reishaic Body and outward to the DN-5 ***Wha-Yah*** Reishaic Capsule.

iii) Place both palms on the mirror's front surface and inhale Orb Currents from your Orb Pillar into the AzurA & Karanadis Seal; hold, then firmly exhale Ah-SA'-yas Orb Flow Currents from AzurA & Karanadis Seal down your arm channels, out your palms, and into the "space between" within the mirror. Hold for a moment at the bottom of the exhale.

iv) Repeat Step-3 twice more and observe or imagine that you can see the entire mirror field fill with Orbs, which grow in number with each of the 3 exhale breaths.

v) Breathe normally after the 3rd exhale, and take your palms from the mirror, observing (or intending) that the Orb Field you set within the mirror solidifies slightly to form a moist, gel-like Orb Field of pale golden-silver color.

2. Parting the "Veil of Wha"

Making your mirror an Adashi-protected ***window*** for communication and projection through the Mashaya-Hanic Wha-YA-yah Fields (to be done immediately following Part 1, above—and also for activating the "***Flame of Wha-LA-yah***").

Activating your DN-5 Wha-Yah Capsule Rainbow Body, and the Flame of Wha-LA-yah:

i) Stand several feet away from your mirror, breathe slowly and deeply with eyes closed, and raise hands to shoulder height in front of you, with elbows bent and palms facing outward (forward). Sense the presence of the "blend-field veil"—the *"Veil of Wha"* (between NET-Earth & Aurora Earth)—directly in front of you, just in front of your palms.

The MCEO Freedom Teachings® Series — ©2010 A&A Deane

ii) As you sense the Veil of Wha in front of you, inhale slowly and deeply, drawing Orb Flow from your Orb Pillar into your AzurA & Karanadis Seal. Hold for a moment at the top of the inhale, allowing Orb Flow to fill your AzurA & Karanadis, and then exhale slowly, keeping the Orb Flow within the AzurA & Karanadis Seal.

iii) Repeat Step-2 twice more, to amplify the Orb Flow quantum in your AzurA & Karanadis Seal. At the end of the last exhale return to normal breathing.

iv) Inhale slowly and deeply, using the inhale breath to draw the Orb Flow–filled AzurA *downward* and Karanadis Seal *upward* until they *meet and merge* at the center of the 4th Heart (Astral) Chakra—around the center of your breastbone. Hold at top of the inhale for a moment and sense a "pop sensation" in Chakra-4, as the AzurA and Karanadis merge & "pop" into a violet-blue Eckasha Flame about 3 inches high and centered around Chakra-4.

This is called the ***Transcendental Flame of Wha-LA-yah***. Exhale gently and breathe normally.

v) Still standing several feet in front of your mirror, with palms facing forward toward the "Veil of Wha" in front of you, inhale slowly and deeply from the Flame of Wha-LA-yah at your Heart Chakra, using the inhale breath to draw a "replica" of the Flame of Wha-LA-yah *upward* and into your 7th (Crown) Chakra—the base of the flame sitting in your pineal brain center. Hold for a moment at the top of this inhale.

vi) Next, exhale slowly downward, using the exhale to push *another replicate* Flame of Wha-LA-yah downward and into the center of Chakra-2 (Sacral) below the navel. Return to normal breathing and observe the ***3 Flames of Wha-LA-yah***—the 1st at the Heart Center (Chakra-4) where the AzurA and Karanadis Seal merged, the 2nd in the pineal (Crown Chakra-7), and the 3rd in the Sacral (Chakra-2); then call to mind the "Orb Flow Pillar" around you.

vii) Inhale firmly into the Flame of Wha-LA-yah at Heart Chakra-4, using the inhale breath to draw the top flame at Crown Chakra-7 downward, and the bottom flame at Sacral Chakra-2 upward, merging the 3 Flames of Wha-LA-yah within the Heart Chakra. Hold at the top of this inhale.

viii) Exhale firmly outward from the Heart Chakra ***in a 6-point exhale***, using the exhale breath to push a violet-blue stream of Wha-LA-yah Flame Current simultaneously outward, through the "6 directions" of your 4 horizontal Rod Chambers & 2 vertical Staff Chambers. ("6 directions" = left & right; frontward & backward; upward & downward.)

Hold for a moment at the bottom of the exhale, then return to normal breathing … and observe that the Flame of Wha-LA-yah has expanded far out into your 15-Dimensional bio-fields and into your DN-5 Reishaic Capsule.

ix) Inhale from the Orb Pillar around you and into Heart Chakra-4; hold for a moment, then take one step forward ***into*** the Veil of Wha in front of you, palms pushing gently *into* and *through* the veil as you step forward.

The MCEO Freedom Teachings® Series — ©2010 A&A Deane

x) Standing ***within*** the Veil of Wha, with palms still facing forward, firmly exhale a 24-point breath outward from Heart Chakra-4 and into your 12 Allurean Chambers & 12 Fire Chamber lines; then return to normal breathing.

xi) Breathing normally, notice and sense that the entire Veil of Wha Field in which you are standing begins to tremor, vibrate, and shake as its oscillation rapidly accelerates. Observe a "rushing sensation" as the Veil of Wha Field folds inward and rushes into your Heart Chakra-4, becoming a minute golden-silver spark. Notice also that the entire veil is now ***gone***, and you are standing in "free space" within the Krystal Spiral Flow of the Aurora Continuum Wha-YA-yah Field … You have "parted the Veil of Wha" …

PART 'B'

1. Parting the Veil of Wha to form the "Window of Wha" Field within your mirror
(Can also be used to form a "Window of Wha" in the air in front of you, without a mirror)

i) Breathe normally and call to mind the minute golden-silver "Spark of Wha" within your Heart Chakra-4 (which formed as the Veil of Wha folded inward). Step forward and place your palms directly on the surface of your mirror (or onto a "target area" of air if not using a mirror).

ii) Inhale into the Spark of Wha at your Heart Chakra-4, then exhale firmly, using the exhale breath to simultaneously push 2 replicate Sparks of Wha outward through the palms & into the "Orb-gel layer" in the "space in between" the mirror (or target area), and push the ***original Spark of Wha*** directly from your ***Heart Chakra-4*** straight forward, ***into*** and then ***through*** the mirror (or target area), as if the "Wha Spark" came out of the mirror's back … and "just kept going" … to a point about ***6 feet through and beyond (the back of) the mirror*** (or 6 feet beyond your target area).

iii) Inhale gently, leaving the original Spark of Wha at its position 6 feet in front of you within (and beyond) the mirror (or 6 feet beyond your target area, in the air in front of you, if not using a mirror) … and notice the 3-point triangulation of the 2 Wha Spark points on the mirror plane (or target area) and the 1 Wha Spark 6 feet forward beyond the mirror (or target area).

iv) Exhale gently from your palms and Heart Chakra-4, sending out 3 streams of Orb Flow from the Orb Pillar around you—one stream into each of the 3 points of the triangulation.

v) Return to normal breathing and notice that the Orb Flow streams quickly link the 3 Wha Spark points, forming a triangulation of Orb Flow between the 3 points.

vi) Use the next inhale to bring your palms together in front of your Heart Chakra-4, then exhale firmly while separating your palms and again placing them on the 2 Wha Spark points on the mirror plane (or target area).

vii) Return to normal breathing and notice that, for a moment, the whole imagery of the "Wha Field Triangulation" suddenly "shuts off and disappears," then a sudden "pop sensation" occurs on and in front of your palms, and the entire Wha Field Triangulation imagery "pops back on" in 3-Dimensional form to create a ***horizontal Eckasha-Merkaba Wha Vortex*** with a vertical Kathara Grid–shaped window directly in front of you. The "top point" of the horizontal Eckasha-Merkaba Wha Vortex is the original Wha Spark 6 feet into the mirror (or 6 feet out front of you).

The MCEO Freedom Teachings® Series — ©2010 A&A Deane

viii) Breathe normally and bring your arms to rest, and mentally call out the name of your "Wha-YA-yas Host" and observe it appear at the center of your Wha Vortex, about 3 feet into the mirror (or 3 feet in front of you).

ix) Relax, and sit down in front of your mirror, and project a part of your consciousness in Jha-DA' Orb into the center of your Wha Vortex within your mirror (or physically go sit with the Wha-YA-yas Host 3 feet in front of you, if not using a mirror).

x) Notice that when you join your Wha-YA-yas Host, the Wha Vortex "pops" to become a ***spherical*** "***Wha-YA-yah Field Window***," or "***Wha-Yah Sphere***," which forms around 4 Eckasha-Merkaba Wha Vortices.

You are now within the Transharmonic Transcendental Window of Contact and Communication.

PART 'C'

1. The Patra Communion: Contact with your Wha-YA-yas Host
(Use within 24 hours of running Part-2 or start entire technique from beginning)

i) Sit comfortably in front of your mirror, within your activated "Wha-Yah Sphere" Wha-YA-yah Window (activated in Part B), and place your palms on the mirror surface within the "Wha Window" (or palms on your target area if no mirror).

ii) Mentally speak the name of your Wha-YA-yas Host & inhale into your Heart Chakra-4, and hold …

iii) Exhale a 3-point breath from your Heart Chakra-4 & both Palm Chakras into the Wha Vortex center point (about 3 feet into the mirror Wha-YA-yah Field).

iv) Breathe normally, and sense that the surface of the mirror (or target-area plane) becomes slightly warm and undulates slightly, as if it were going to change from solid to "Liquid Light wave-form." Observe that your Wha-YA-yas Host appears at the "contact point," 3 feet into the Wha-YA-yah Field in the mirror.

v) Inhale, then exhale, and send a single-point Orb Flow Current directly from your Heart Chakra into your Wha-YA-yas Host Sphere, 3 feet into the mirror—while still keeping palms on the mirror.

vi) Inhale gently, using the breath to draw the Wha-YA-yas Host Sphere toward you, until it is positioned immediately in front of you, just on the "other side" of the mirror plane (or just outside of your target area if no mirror).

vii) Exhale gently into the Wha-YA-yas Host Jha-DA' Orb immediately in front of you, in the mirror, then return to normal breathing and observe that, first, your Wha-YA-yas Host Orb transfigures to form a swirling pillar of Orbs within the mirror.

viii) Keeping your palms on the mirror, continue observing as the Wha-YA-yas Host Pillar "flashes" a pulse of golden-silver light, then materializes as the Wha-YA-yas Host "light being" wearing the "symbol clothing" of its family line. Notice that your Wha-YA-yas Host has placed its 6-fingered light-being hands, palms facing you, on the "inside of the mirror plane" … directly aligned with your own palms.

The MCEO Freedom Teachings® Series — ©2010 A&A Deane

ix) Inhale and exhale *gently* from the Heart Chakra-4 and from both Palm Chakras, using the 3-point exhale to engage and activate the "Patra Stance" communication link with your Wha-YA-yas Host.

x) Inhale again to receive the 3-point Orb Flow from your Wha-YA-yas Host as it *exhales* to your *inhale*.

xi) Synchronize your breathing with your Wha-YA-yas Host—as one inhales, the other exhales—to build the "Patra Communion Circuit" between you.

xii) Return to normal breathing (your breathing rhythm remaining synchronized with your Host's) ... and begin to telepath in *direct cognition* whatever you would like to say or ask your Host, then breathe normally for a minute to *receive* the direct cognition telepathic communication from your Wha-YA-yas Host.

xiii) Converse for as long as you desire; when finished, bid your Wha-YA-yas Host farewell, until next time.

xiv) To engage another communion session beyond 24 hours from your first (or most recent) session, you must start the entire technique from the beginning to reactivate the field. After practicing *at least once per week for 12 months*, a "Quick Access" technique (to be given next year, in 2011) will keep the Wha-YA-yah Sphere Window open for fast access to communion.

xv) If you would like to begin projection journeys into the Wha-YA-yah Field Wha Window, with your Wha-YA-yas Host as guide, begin while your Wha-Yah Sphere is still active (12 hours from last full activation & communion), simply lie down to sleep on your back with your mirror Wha Window *directly on a wall behind your head* (and preferably with your arms resting upward gently with elbows bent and palms up). As you start to fall asleep, intend that you will "slide up & out" of your body horizontally and into Jha-DA' Body Orb, sailing right into the mirror Wha Window to meet your Wha-YA-yas Host for journeys and lessons until you awaken.

"Pleasant Dreams & Journeys!"

The Floating Buddhas Rite

Calling Your Sha-DA' Cloister for Formal "*Sha-DA' Buddha Shield*" Elemental Command

The "***Sha-DA' Buddha Shield***" is a mathematical geomantic Shield platform that is used to amplify the protection, power, and range of Krystic interdimensional and elemental frequencies available for use within "intentioned endeavors" in healing, projecting, meditating, manifesting, and grid work. The Sha-DA' Buddha Shield can be *achieved individually*, once you have **anchored your 6-member *Sha-DA' Cloister*** through your *1st "Floating Buddhas Rite"*.

Preparation:

1. Sit comfortably on ground or floor, with back as straight as comfortable, in "Loose Lotus" position
2. 3 "Krystar Breaths"
3. Elemental Orb Call Command: "Ah-ShA'-ah NE'Ra- O'cha- Sa !!" Repeat 3xs

PART-1: Calling the Sha-DA' Cloister

A. THE CALLING Command: Breathe normally and speak **THE CALLING Command** (out loud if possible) 3 times, then breathe gently while *waiting* for your 6 Sha-DA' Cloister members to "*Orb in*" and take their "*hierophant positions*" on the floor around you. Move to Step B when you sense their arrival.

Ah ZhU' TU Ah-VA' Cum-sa A'-Vo

Zha-ta', A'-TU, KEi'-sa, Ah'-RA, KA'-Vo, SE-A'-Ta

A'-JhUn e-ThrA' TU-ah Neu-en'

CU-sa TA'-va Um-Shed'rah TE-SA HA-VO

B. THE RAISING Command: Once your Sha-DA' Cloister has taken its position as "Orbs" on the floor/ground around you, observe as it creates a "**circle of energy**" that runs through each member's Orb and surrounds you; this is the ***Sha-DA' Shield***.

1. Inhale into your Karanadis Seal, hold, then exhale, pushing a **6-point breath horizontally outward from your Karanadis Seal**, sending a ***streamer of "Living Water"*** *energy* out to the Karanadis Seal of each of the 6 Cloister members.
2. Breathe normally and **repeatedly "chant"** (out loud if possible) **THE RAISING Command**, and sense first that the **Sha-DA' Shield begins to counterspin**, and next that it **begins to RISE upward**, carrying the 6 Cloister-member Orbs with it.

E'-sta en-ta'-Ro DE-A'-SU NA-Va-Ro

3. Continue chanting until you sense that the Sha-DA' Shield has risen directly up over your head. Observe that as the Sha-DA' Shield moves over your head, the 6 Cloister Members "**de-Orb**" and are now in their **bipedal form**, sitting in the "**Loose Lotus**" position on their **hierophant points**. They have become the "**Floating Buddhas**."
4. Notice that the spin-speed of the counterspinning Sha-DA' Shield progressively increases, and move to Step C.

C. THE UNION Command:

1. Inhale into the Karanadis Seal, hold, then exhale forcefully upward, using the exhale to push a "Bi-locate Self" vertically upward into the center point of the Sha-DA' Shield, to "become the 7th Buddha."
2. Hold a moment at "bottom of exhale," then inhale and repeat the "**UNION**" **Command** 1 time only.
